The AV3200SU is a document scanner capable of simplex / duplex scan. With a built-in auto-document feeder, the AV3200SU scanner is extremely efficient in performing duplex scan for a stack of double-sided documents. In simplex (one-sided) scan mode the AV3200SU scans up to 30 pages per minute, and in duplex (double-sided) mode, 60 images. The auto-document feeder of the AV3200SU has a cavernous capacity of 50 sheets. All these features make AV3200SU an essential part of every digital office.

The Avison AV3200SU Scanner is a compact and effective high speed scanner perfect for workgroups and other decentralized scanning applications. By eliminating seldom used options such as duplex capability and a SCSI interface, Avison offers this model at a price that enables businesses to achieve high levels of productivity by distributing fast cost-effective scanners throughout the organization.

The AV3200SU has a 50-page Automatic Document Feeder that scans 30 pages per minute. It features 600 x 1200 dpi optical resolution, 48-bit color, USB interface and scans everything from photos up to legal-sized documents.

What we have bundled

Avison AV Scan Scanning & Imaging Solution

AVScan is an intelligent scanning and electronic filing solution. AVScan possesses distinct features that convert and index scanned information into electronic documents for easy storage and fast retrieval.

What bothers you most when you scan document?
Distorted images?

Blurred image because of pencial text?

Avision AV3200SU Document Scanner

Often times, document imaging is the very first step of Document Management. However, poor quality images can cause serious problems to later indexing or storing processes. It may increase scanning labour costs due to manual correction and rescanning, and lowers the OCR accuracy when you want to search them from the DMS.

Now you can hand over all your worries to AVScan. AVScan ensures that all documents are checked and polished at the time they are scanned such that the image quality are guaranteed before they are ready to use for other purposes.

ScanSoft PaperPort - The Professional Choice to Organize and Share Your Documents
